## How to access Google Classroom on a mobile device or tablet

Make sure you have downloaded the Google Classroom app.

1. Open the Google Classroom app.

2. If you have not signed into the app before, it will take you to a sign in page.

3. Enter the student login that is used on the computers at school. Some students may have a number with their login.

4. Press 'next'. It will then take you to the DoE sign in page. Your user ID is the login that you use at school to use the computers. Your password is your class name this year. Then click 'log in'.	11:43:7     ✓   Sign in   NSW Department of Education   Login with your DoE account     User ID     User ID     Enter your user ID     Password     Enter your password
