Intention to apply for Year 5 entry into an Opportunity Class in 2024

Dear Parent/Carer,

Opportunity classes located in government primary schools cater for academically gifted Year 5 and Year 6 students with high potential. These classes help students to learn by grouping them with students of similar ability, using specialised teaching methods and educational materials at the appropriate level. Successful students will usually have to leave their current school to enrol in a school with an opportunity class for Years 5 and 6.

Testing and assessment

Applications for opportunity class placement are considered on the results of the Opportunity Class Placement Test. Students who wish to be considered for opportunity class placement will sit the Opportunity Class Placement Test on **Thursday 27 July 2023**.

If you would like more information about entry to opportunity classes, visit <https://bit.ly/3oxx5bm>.
