School Swimming & Water Safety

Years 2 to 6

Weeks 1-2 Term 4 9 – 20 October

Learning to swim saves lives!

Dear Parents,

Arrangements have been made for our school to participate in the intensive learn to swim program organised by the Department of Education. Students in Years 2-6 who have not reached a satisfactory standard of water safety and survival skills, and are unable to swim 25 metres confidently, unaided, in deep water, are eligible to participate in the **School Swimming and Water Safety Program**.

Swimming lessons will take place at Birrong Pool under the instruction of qualified teachers. The Program will continue daily for two weeks from **Monday 9 October to Friday 20 October (10 school days) Weeks 1 & 2 Term 4**. Children will attend a 45 minute swimming lesson each day.

There will be no charge for instruction; however, bus fare and pool entry will be \$12 per day. The total cost for the 10 day scheme is **\$120**.

Due to the implementation of a new finance platform payments will open after Tuesday 12 September. Please ensure your email address on the school system is correct as it is required to access a payment process. A note with all information and permission note will be sent home on Tuesday 12 September.
