

Dear Families,

Please support our school community as we care for children with allergies by reminding all Kindergarten students to:

- Wash their hands before and after eating.
- Not share any food.
- Only drink from their own water bottle.
- Not bring any nut or chocolate items to school.
- Tell a teacher if their friend is sick.

We thank you for your support as we aim to manage the risk of anaphylaxis at our school.

Kindergarten Teachers

Dear Families,
