What is a Community Hub?

The Community Hub is a welcoming place for the local community, particularly families with young children, to connect, share, and learn.

The Hub is an important part of the school community and a great way to learn more about what is happening in the school.

Your Community Hub Focuses on

Early childhood development - preparing children to succeed at school

Supporting families to stay connected with each other and the wider community

Connecting families to support services including education, training, health, community and settlement

Volunteering and employment pathways

Regular Hub Programs

- **School Readiness Program** - Tuesday at the School Hall from 10:00 am
- **Intermediate level English Classes** - Wednesday at the Hub from 12 pm
- **Playgroup** - Thursday at the School Hall from 9:30 am

From time to time, the Hub also runs various training courses, parenting programs and organises events and other activities.
