

Chester Hill Public School

School Plan

2012 - 2014

SCHOOL CONTEXT

Learning at Chester Hill Public School is provided through innovative and enriched teaching and learning activities. Grade based learning enables ongoing support and development of social, leadership and mentoring skills. Our early learning emphasis model provides for flexible delivery of curriculum in the K-2 years, allowing students to progress through stage outcomes at a rate appropriate to their needs and abilities. K. Years 3-6 are placed in classes that support and enable explicit teaching across all Key Learning Areas. Literacy and numeracy remain the principal areas of focus and these continue to be supported, developed and enhanced through professional learning, purchasing of resources, maths consultancy support and the provision of a literacy mentor. Learning support programs include STLA, Reading Recovery, ESL, Targeted Early Numeracy (TEN), Focus on Reading initiative guided and home reading, Best Start, and Count Me In Too. Chester Hill Public School is completely computer networked with Interactive Whiteboards in all classrooms, the library and specialist teaching areas. Learning through technology is embedded in all teaching programs with support from a dedicated Multi Media Mentor who works closely with all students and staff.

Since 2010 Chester Hill Public School received extra funding through the National Partnerships Low Socio Economic Federal initiative. That funding concluded at the end of 2013. At the end of term one 2013 Chester Hill was placed on the Improving Literacy or Numeracy National Partnership program for 2013/2014. Variations to the original management plan for 2013 that relate to Improving Literacy or Numeracy National Partnership can be found denoted as green.

The school has a proud history of success on the sporting field due to its excellent programs in gross motor and skills development. Grades 3-6 participate in both Summer and Winter Primary Schools Sports Association (PSSA) competitions as well as Swimming, Cross Country and Athletics carnivals. Students are also able to embrace choir and dance activities through the school's participation in major district and regional concerts and festivals. Students participate in a variety of extracurricular programs including the Tournament of Minds, the Premier's Spelling Bee and Reading Challenge, Debating, Community Mentoring Program and the Multicultural Public Speaking Competition. To support and enhance community participation and our focus of lifelong learning, a Community Engagement Officer works closely with parents to support involvement and understanding. We have several culturally based parent groups as well as a coffee club which meet regularly. The aim of Chester Hill Public School is to support increased student learning outcomes by strengthening home school relations. Adult workshops were offered in English Language acquisition, Computer proficiency, Positive Parenting and First Aid. To support the transition from home to Kindergarten we have a School Readiness and Indigenous playgroups operating within the school.

All of the above is only a snapshot of the opportunities that both students and parents experience at Chester Hill Public School, an active and progressive learning community striving to achieve the greatest learning outcomes for each and every child.

| SCHOOL IDENTIFIED PRIORITY AREA/S | INTENDED OUTCOME/S |
|--------------------------------------|---|
| 1. Literacy and Numeracy | <ul style="list-style-type: none"> a) Increased levels of literacy and numeracy achievement for every student consistent with National, State and regional directions b) Strengthen literacy and numeracy learning through the effective use of the full range of diagnostic assessments and professional learning c) Improved outcomes through targeted strategic early intervention for students experiencing difficulty in literacy and numeracy at key transition points |
| 2. Student Engagement and Attainment | <ul style="list-style-type: none"> a) Students experience challenging, flexible, personalised and safe learning environment b) Enhanced wellbeing of all students c) A school environment that enables students to experience success and receive recognition for their attainments d) School community to be fully involved in supporting learning and school governance |
| 3. Aboriginal Education | <ul style="list-style-type: none"> a) Effective implementation of the Aboriginal Education and Training Policy b) Aboriginal students are supported by staff to become successful learners c) Aboriginal students are supported by a strong partnership between school, family and community to increase engagement in learning |
| 4. Leadership and Management | <ul style="list-style-type: none"> a) Strengthen leadership and management capacity of school staff and executive b) Increase staff and executive capacity to meet the needs of a significantly culturally diverse and changing educational environment |
| 5. Curriculum and Assessment | <ul style="list-style-type: none"> a) Implementation of a broad, inclusive and relevant curriculum b) Clear alignment between the implementation of curriculum, professional learning and student learning needs c) Appropriate assessment and learning practices are embedded in all teaching and learning programs |

1. Literacy and Numeracy:**2012**

- a) Increase **from 51%** to **56%** the number of year 5 students who achieve an improvement rate of 80 points or more in **reading**
- b) Increase **from** an average of **87%** to an average of **92%** the number of year 3 and 5 students achieving at or above minimum standard in **reading**
- c) Increase **from** an average of **18%** to an average of **25%** the number of year 3 and 5 students attaining a proficiency standard in **reading**
- d) Literacy Early Learning Plans to be implemented by all teachers K-1
- e) Increase in Phase 2 and 3 students who are achieving at or above the minimum standard in Reading from 89% to 95% in 2012
- f) Increase **from 72%** to **77%** the number of year 5 students achieving an improvement rate of 80 points or more in **numeracy**
- g) Increase **from** an average of **91%** to an average **95%** the number of year 3 and 5 students achieving at or above minimum standard in **numeracy**
- h) Increase **from** an average of **23%** to an average of **30%** for year 3 and 5 students attaining a proficiency standard in **numeracy**

2013

- a) To increase the mean score for reading in Year 3 from 13 below Fairfield District in 2011 to at or above Fairfield District in 2013 for Year 5
- b) To decrease the percentage of students at or below minimum standard for writing from 8.6% above Fairfield District in 2011 for Year 3 to at or below 2% of Fairfield District in 2013 for Year 5
- c) To reduce the number of students not achieving reading benchmark levels 21 – 24 in Year 2 from 15% to 10%
- d) 100% of K – 2 teachers will implement Literacy Early Learning Plans in 2013.
- e) Increase the number of Phase 2 and Phase 3 students achieving at or above the minimum standard in Reading from 87% in 2012 to 92% in 2013.
- f) To reduce the gap by 10 points between the school and Fairfield District of the mean scores for Numeracy from 19.8 points below District in Year 3 2011 compared to Year 5 2013.
- g) To increase the percentage of students achieving proficiency standard in numeracy from 22% in Year 3 2011 to 27% in Year 5 2013
- h) That 90% of year 2 students who entered Kindergarten on emergent level in 2011 reach the Early Arithmetical strategies benchmark of counting on and back in 2013
- i) 100% of staff are assessing, monitoring and tracking student progress using Aspect 1 (Counting Sequences), Aspect 2 (Counting as a Problem Solving Process) and Aspect 4 (Multi-Unit Place Value) of the Numeracy Continuum

2014

- a) To increase the value added for Year 3 2012 – Year 5 2014 to 4 points in Reading compared to Fairfield District (3.1 points is the average value added for CHPS over the last 4 years for Year 5 students)
- b) To increase the mean score for Writing from 389.9 in Year 3, 2012 by 63 points to 452.9 in Year 5, 2014. (57.7 points is the average improvement for CHPS over the last 4 years for Year 5 students)
- c) 100% of K-2 teachers in developing and implementing a writing strategies guideline to meet Syllabus Outcomes content. (see *Curriculum and Assessment – Early Learning*)
- d) Reduce from 22% to 18% the number of students not achieving reading benchmark levels 21-24 in Year 2 for 2014 (see *Curriculum and Assessment – Early Learning*)
- e) To increase the value added for the Year 3 2012 - Year 5 2014 to 7.5 points in Numeracy compared to Fairfield Network
- f) To increase the proficiency standard value added for the Year 3 2012 - Year 5 2014 to 3 points in Numeracy compared to Fairfield Network
- g) That 90% of year 2 students who entered Kindergarten on emergent level in 2012 reach the Early Arithmetical strategies benchmark of Counting on and Back in 2014
- h) 100% of teachers K – 6 embed working mathematically in Numeracy Teaching and Learning programs by using the New NSW Mathematics Syllabus, the Numeracy Continuum and quality classroom practices.
- i) To increase the automaticity of Numeracy facts in targeted students
- j) To increase the value added for Year 3 2012 – Year 5 2014 to 4 points in Reading compared to Fairfield District (3.1 points is the average value added for CHPS over the last 4 years for Year 5 students)
- k) To increase the mean score for Writing from 389.9 in Year 3, 2012 by 63 points to 452.9 in Year 5, 2014. (57.7 points is the average improvement for CHPS over the last 4 years for Year 5 students)

3.Student Engagement and Attainment

2012

- a) Completion of School discipline review and discipline policy development
- b) Review of student rewards policy
- c) Completion of Learning Support Team policy and referral criteria
- d) Increase to 25% the number of families in the school community participating in student learning and school governance
- e) Implement the integration of technology in teaching and learning to fully engage and motivate student learning
- f) Develop a school culture that acknowledges and accommodates the needs of G&T students

2013

- a) Review and develop new student rewards policy
- b) Alignment of Learning Support Team policy and referral process to new processes in LAS program
- c) Development and trial of Every Student Every School policy through LAS program
- d) Increase the number of families in the school community engaged in student learning from 8% in 2012 to 15% 2013.
- e) 100% of teachers K – 6 in 2013 will demonstrate increased student engagement and motivation through the implementation of technology in Teaching and Learning Programs and classroom practices.
- f) Professionally develop staff in early identification of G&T students K-2

2014

- a) Review of Student Welfare policy K-6
- b) Evaluation of Every Student Every School policy through the LST
- c) Increased whole school community involvement
- d) Continuation of Implementing the integration of technology in teaching and learning to fully engage and motivate student learning
- e) Improved teaching pedagogy in teaching through the use of differentiation
- g) Improve home numeracy support

4. Aboriginal Education

2012

- a) 100% completion of PLP's for indigenous students
- b) Review by all staff of Aboriginal Education policy
- c) Development of indigenous community of schools network
- d) Implementation of indigenous playgroup

2013

- a) School based development of a scope and sequence framework of Aboriginal policy units
- b) 100% completion of PLP's for Indigenous students
- c) Implementation of Indigenous community of schools network
- d) **Maintain and expand the attendance at the Indigenous Playgroup from 4 families in 2012 to 6 families in 2013.**

2014

- a) 100% completion of PLP's for indigenous students
- b) *Implementation of school based scope/sequence of aboriginal policy units based on CAPA*
- c) *Increased school indigenous community participation in student learning and support*

2. Leadership and Management

2012

- a) Commencement of the Team Leadership for School Improvement (TLSI) by all executive and nominated staff
- b) Implementation of Vietnamese Community Language with all grades K-6
- c) Review and implement class structure changes for stage 2
- d) Review of new school organisational changes

2013

- a) Implementation of recommendations in Numeracy from the Analytical Framework for School Improvement
- b) Review of the Vietnamese and Arabic Community Language programs K-6
- c) Implement and review class structure changes for stage 3
- d) Development of policies and procedures to utilise Equity funding and staffing entitlements
- e) Implementation of new school organisational changes
- f) 100% of all teachers will have demonstrated TELL, QTF and G&T pedagogy embedded into their teaching and learning programs

2014

- a) Implementation of recommendations in Literacy from the Analytical Framework for School Improvement
- b) Review of the of the Arabic Community Language program K-6
- c) Continuation of programs implemented to support RAM equities allocation
- d) Implementation of new school administration changes (LMBR)
- e) Executive roles and responsibilities review (EARS)

3. Curriculum and Assessment (Includes Literacy, Numeracy, ESL, Early Learning and Technology targets)

2012

- a) Increase from 3% to 100% of permanent classroom and specialist staff completing Phases 1 and 2 of Focus on Reading
- b) Extension of Focus on Reading support to incorporate Year 2 teachers
- c) Increase in number of students with Individual Language Learning Plans from 0% to 10% K-6
- d) Best Start and Early Learning Framework to be embedded in assessment and teaching and learning programs of all classes K to 2.
- e) Review and re-establishment of Count Me In Too K-4
- f) Targeted students receive support through their involvement in Targeting Early Numeracy
- g) Enhancement of teaching pedagogy by the embedding of TELL, QTF and G&T in all teaching and Learning programs
- h) Completion and implementation of School assessment policy and assessment matrix
- i) All teachers to be trialling online assessment and welfare tracking software by end semester 2 2012
- j) Review of school student reporting policy and student reports

2013

- a) Increase the number of K – 6 Phase 2 and Phase 3 students with Individual Language Learning Plans from 0% in 2012 to 10% in 2013.
- b) 100% of teachers K – 6 in 2013 will embed working mathematically by using the Numeracy Continuum and QTF in Numeracy Teaching and Learning Programs.
- c) To professionally develop all teaching staff in preparation for the implementation of the National English Curriculum in 2014
- d) Revisit and review the strategies in Consistent Teacher Judgement in relation to A-E reporting
- e) Best Start and Early Learning Framework to be embedded in assessment and Teaching and Learning programs of all classes K to 2.
- f) All teachers will complete online student assessment and welfare tracking information through school and/or Sentral software by end 2013
- g) Enhancement of teaching pedagogy by the embedding of English as an additional language or dialect strategies in all Teaching and Learning programs
- h) Orientate staff to the new NSW Mathematics K-10 Syllabus

2014

- a) Continued support to embed Focus on Reading in Year 2 – 6; teaching pedagogy in teaching and learning programs K-6
- b) Increase in number of students with Individual Language Learning Plans from 15% to 20% K-6
- c) Continuation of embedding Best Start and Early Learning Framework in assessment and teaching and learning programs of all classes K to 2.
- d) Introduction of multi-phase teacher professional development in numeracy 3-6
- e) Targeted students continue to receive support through their involvement in Targeting Early Numeracy
- f) All teachers will complete online assessment and welfare tracking software inclusive of National Curriculum expectations by end of 2014
- g) Development of teaching program guidelines that include National Curriculum content and outcomes for English
- h) To professionally develop all teaching staff in preparation for the implementation of the National Science Curriculum in 2014
- i) To professionally develop all teaching staff in preparation for the implementation of the NSW Mathematics Curriculum in 2015
