Home Reading Program

All students in Kindergarten have the opportunity to participate in the school's Home Reading Program. This program enables children to practise their reading at home by borrowing books at their appropriate reading level. It is an expectation that **all** students read at home as part of their weekly homework.

This year, the Home Reading Program will be **FREE** to all students. A plastic blue folder will be supplied to all students. It is compulsory that books are transported home and to school in this folder.

Class teachers will record books taken home by each student. If a book is lost, parents will be asked to pay a fee to replace the cost of the lost book before their child can continue to borrow. This fee is \$5.00.

Please complete the permission slip below and return it to your child's class teacher.
