Internet Safety for Parents

Dear Parents & Carers,

Are your children using the internet and screen more and more these days?

Do you know what your children have access to on phones, tablets and computers?

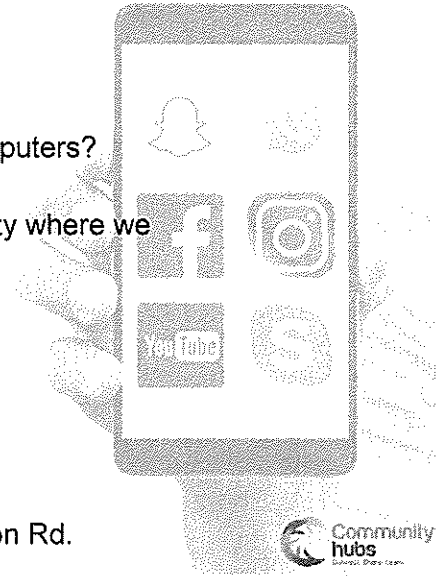

Join us for an information session run by Woodville Alliance on internet safety where we will chat about:

- Parenting in the digital age
- Creating a safe digital home environment
- Cyber Bullying and Cyber Safety
- Encouraging safe gaming habits

When? Thursday 21st June from 2-3pm

Where? In the community hub, best accessed through the gate on Wellington Rd.

Please register for this session by sending a text message with your name and the word 'internet' to 0403 433 212.
