## Life Education Lessons

Dear Parent / Guardian,

The Life Education van will be visiting Chester Hill Public School from 21 February – 6 March, 2018. Classes will be visiting the mobile classroom to participate in a range of fun and interactive lessons which promote health and safety.

The cost of these lessons is \$4.00 per child. As the cost of the program is being subsidised, student assistance will not be available. All students who attend will receive a workbook of activities, which will be used in class following the visit.

Below is a brief outline of the programs in which students will be participating:

### Kindergarten - Year 2

- Healthy food choices
- Importance of physical activity
- Personal safety
- Decision making
- Friendships

### Years 3-6

- Functions of body systems
- Second hand smoking
- Safe use of medicines
- Strategies to deal with peer pressure and cyber bullying

A parent session will take place on Thursday 22 February at 9.00am for any parents who wish to experience the Life Education van for themselves.

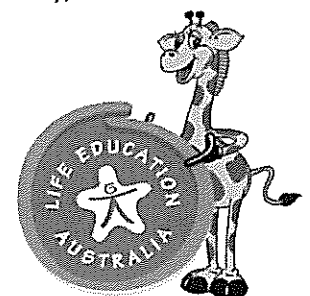

Please return the permission note and money to your child's class teacher by Wednesday 21 February, 2018.

**Online payment is not available for this activity.**

These lessons have the approval of the Principal.

Sarah Alexander  
Life Education Coordinator

Brent Kunkler  
Principal

FOR A SAFER, SMARTER LIFE.
