

Chester Hill Public School Parents and Citizens Association

Mother's Day Stall

Dear Parents and Carers,

The Mother's Day stall gives the children an opportunity to purchase a gift for their mother for Mother's Day which is celebrated on the second Sunday in May. The children are brought down in their class to visit the stall during school

They love the chance to choose a gift on their own. The gifts range in prices from **\$2 to \$10**.

For parents and carers who can help on the day, please meet under the COLA at 9:00

The stall will be held on Thursday 10th May

Thank You
P&C Committee
