YEAR 3 PLANETARIUM ACTIVITY

Dear Parents/Caregivers,

A Year 3 Planetarium Activity has been organised to supplement the students' class work in Science. Children will be visiting a Planetarium 'Superdome' in the school hall in which they will travel through the universe in an immersive 360° audio/visual experience. It is a great opportunity for your child to expand their understanding in Science and to experience something fun and special.

Date: Thursday 5th April (Week 10, Term 1)

Cost: \$9

Times: The activity will occur at school during class time.

The permission slip and payment are to be placed in an envelope with your child's name and returned to their class teacher. You may also make a payment via the school website.

Last day for cash payment is Thursday 29th March (Week 9, Term 1) to guarantee a position. If paying online, payment is due Tuesday 27th March. Please enter 'Year 3 Planetarium' in the payment description under Excursions.

In cases of financial difficulty it may be possible to receive student assistance. Please make an appointment at the office.

This activity has the approval of the Principal.

Thank you.
