School Contributions – 2018

The voluntary contributions for this year are:

\$30 if there is only one child attending this school

\$50 for two children attending this school

\$60 if there are three or more students attending this school.

The money raised through your generous support will, once again, be used to purchase teaching and learning materials for the use of students in the classrooms. Resources purchased with this money will be used to develop programs in mathematics and in English literacy.

Without the money raised through school contributions the school would not have been able to afford many of the resources which the children currently use. While the school receives a significant amount of money from the Department of Education the majority of money is used to cover the day-to-day expenses of running a school.

The funds received from the Department cover:

- installation and servicing provisions for computers and printers;
- software for computers;
- student workbooks and classroom consumable items;
- purchase/lease and maintenance of photocopying and printing machines;
- teacher training and development

plus all other improvements and additions to existing school resources and equipment; money is also provided for specific programs such as the integration of children with specific needs into the classroom.

With the school's commitment to the above payments there will be very little left to provide for the purchase of new or replacement classroom resources. We, therefore, rely heavily on parent support through voluntary contributions. Your generous support is very much appreciated by both the staff and students of Chester Hill Public School. Please complete the attached form and return it, with your contribution, as early as possible.

Thank you for your generosity,
Brent Kunkler
Principal
2/03/2018

Payment of Voluntary Contributions for 2018

I am enclosing (please tick the amount you are paying)

\$30

\$50

\$60

to cover the voluntary contributions for:

Child's/Children's names _____	Class _____
_____	Class _____
_____	Class _____
