## **Education Week 1 – 5 August** **“Celebrating our Differences Through Sport”**

During Education Week parents, carers, family and friends are invited to visit our amazing school and participate in exciting and fun activities organised by our talented teachers. The theme for the week is “Celebrating our Differences Through Sport” as exemplified by the Olympic Games.

### **The week’s activities:**

#### **All week - Book Fair**

The students will be visiting the library where the book fair is set up to view and purchase books.

#### **Tuesday 2 August - Sports Day**

The day is a full day of sports activities that all are welcome to attend and enjoy.

The day starts off with an Opening Ceremony where classes march past behind the flag of the country they have been studying and dressed in a colour that represents that country. Remember all students must wear closed shoes, a hat and a shirt that has sleeves, if they don't they risk not being able to participate in some activities.

Then the whole school rotates around different activities: synchronized dancing, running activities, throwing activities, ball activities, skipping and ObstAcool, an inflatable obstacle course.

The P & C are organising a sausage sizzle where everyone can order their lunch. An order form has been sent home, they are to be returned to the canteen by Monday.

#### **Thursday 4 August – Class Visits**

Parents, carers and friends are invited to visit their child's classroom between 9:10 – 9:50 to see the fantastic work they are doing. From 9:50 to 11:30 they will be visiting some other classrooms to see the wonderful cultural displays that classes have designed to represent the country they have been studying.

At 11:30am all adults are invited to join us for morning tea on the Year 6 playground, supplied by the P & C.

From 12:00pm a Whole School Assembly will commence in the hall where KA, KI, 2I, 4/5A, dance group and the choir will perform.

There are a lot of great things happening at Chester Hill Public School and we would love to see as many parents, carers and friends here as possible.

Lance Condon  
Deputy Principal
