## ASPIRE DISCOVERY DAY

Our students have been invited by ASPIRE to attend the University of New South Wales for their annual DISCOVERY DAY. Discovery Day is a great opportunity for our Year 5 students to visit a university campus and discover why people go there. Students will spend the day at the University of New South Wales campus in Kensington. ASPIRE has planned an action packed day with fun workshops and activities. Current university students and ASPIRE staff will be on hand to show our students around the campus and answer all of their questions.

At **Discovery Day**, students will learn how universities are different from schools and that pursuing a tertiary education can open up a world of possibilities.

The date of the excursion is **Thursday 27 September 2018**. Students will need to be at school at 8.15am for an **8.30 departure**. Buses will not wait for late students. It will be a long excursion and students will be **returning to school at approximately 4.00pm** depending on the traffic.

This excursion is **free**. Students will travel to and from the university by bus and will be accompanied by their class teachers. **Morning tea and lunch will be provided for the students** by ASPIRE.

Students are to wear full school uniform, with a school hat.

If you would like your child to attend the excursion, please complete the school permission note below and return it to your child's teacher by **Wednesday 19 September**. A spot on the excursion may not be guaranteed for your child if their note is not returned by this date.

Photos and videos will be taken by ASPIRE during Discovery Day. These images will be used for online promotional purposes. Please complete the attached registration form authorising ASPIRE to use photographs taken on the day.

**Attendance on this excursion is dependent upon good behaviour at school.**

Penny Stavrinos  
Assistant Principal

Brent Kunkler  
Principal
