Dear Parents/Caregivers,

The Personal Development, Health and Physical Education syllabus requires Year 6 students to participate in lessons on Human Sexuality called Getting it Together. These lessons will take place in Term 4 with the Year 6 class teachers over three or four sessions. The focus for Year 6 is puberty. There will also be a girls only session appropriate to their needs.

The outline of the lessons are as follows:

- Changes to the body during puberty, changing needs and requirements
- Reproductive processes
- Emotional readiness
- Menstruation -with an additional girls only session

If you would like any further information please contact your child's class teacher.
