The screenshot shows the NSW Department of Education Student Portal. At the top, it says "NSW Department of Education" and "Student Portal" on the left, and "Alvin Xue" on the right. A navigation menu on the left includes: Home, Email, Oliver Library, Help, Notifications, Change password, Secret Questions, and Change Colours. The main content area is divided into three sections: 1. Search: A search bar with the Google logo and the text "Enter your search words here. Search". 2. Calendar: A section with a calendar icon and the text "We need you to verify who you are to Google so that we can look at your calendars. Please select the Authorise button below." with an "Authorise" button. 3. My bookmarks: A section with a bookmark icon and the text "Name your custom bookmarks list here..." and a "Create new list" button. Below this is a "Learning" section with a list of items: "Premier's Reading Challenge", "eSafety Kids", and "G Suite (Google Apps for Education)", with a "Show more" link. At the bottom right, there is a "Games" section with a game controller icon.
